**2025 MEMBERSHIP FORM – DUES \$15**

In 1994, the Rutgers University Staff Retirees Association, commonly called the Silver Knights, was formed to interact with the University and the State of New Jersey on their unique concerns for the University and for quality of life in retirement. Membership is open to all Rutgers retirees and all former Rutgers and UMDNJ faculty and staff employees with 10 years of service.

Listed below are some of the benefits of membership in the Silver Knights:

- Fall and Spring Luncheons where Silver Knights renew friendships, catch up on University and Departmental news, and hear renowned speakers.
- Trips to theater, wineries, culinary institutes, historic sites, etc. and tickets to Rutgers athletic events.
- Active committees monitor state legislation as it affects health and pension benefits.
- Silver Knights webpage: [silverknights.rutgers.edu](http://silverknights.rutgers.edu) is a valuable resource with links to some of the benefits available to you as a retiree.

Continue that important Rutgers Relationship and join the Silver Knights.

We look forward to seeing you at Silver Knights events!
